1 coach : Jens Metz

He is the mediator between the teams. He is also the mediator between the person locally responsible and the teams. He will also be the informer towards the jury.

His different actions will be the followings:

- He will assure the mediation between the teams, the people locally responsible, and the members of the jury for the announcement of the results June 1st.
- He will help the teams to structure their ideas, and to develop them all the way through the workshop.
- He will help the team to communicate their ideas strategically.

- He will help the teams get information they need during the workshop. (graphic elements or even need appointments)
- He will also help the teams with managing their time in preparation of the results at the end of the workshop.
- He will be the referent during the press tour, Friday May 29th.
- He will present the main elements of each project to the jury. He will also participate to the discussion.
- Finally, at the end of the jury discussion, he will write an article about the ideas of each team.

The referents

During the entire time of the workshop, they will answer the coach and teams demands to the best of their ability.

For the ATU, alternatively: Olivier Schampion, Jérôme Baratier, Celine Tanguay.

The coach: Jens Mentz

For Vinci Autoroutes, alternatively : Vincent Fanguet et Mathilde Soulages.

The ATU is responsible of the logistic and organization.

Meeting between organizer/teams : 7 ideas for a context (June 1st from 11AM to 8PM)

The purpose of the meeting is to present the developed ideas in the workshop by the team themselves followed by a dialogue with the organizers. This is not an evaluation but a studying period who the main goal is to help the teams make their ideas more strategic and go further for the proposition of the final project (June 22nd midnight).The organizers will be represented by Didier Rebois et Carles Llop, De Vincent Fanguet and Mathilde Soulages, Jérôme Baratier, Céline Tanguay and Olivier Schampion.
